Customised-Deck Options

## Bare-Bones

---

Our Bare-bones option is considered basic options a deck could be designed with. Our bare-Bones options consist of:

- Base Build up: Maple & Birch
- Bare-Bones Veneer Selection for final layers (page 8-11)
- Basic Personalised Design
- Bare-Bones Griptape Options
- Shape & Size

## Elite

---

Our Elite option is where you get all freedom to designing your deck. Using the finest materials and endless options to play around with:

- Base: Maple & Birch / Aluminium / Composite Materials i.e glass fibre or carbon fibre
- Bare-bones & Exotic Wood (Elite options) Selection for final layers (page 8-14)
- Personalised Design with unlimited freedom (considering if possible)
- Custom Griptape Design
- Wood Stitching
- Engraving designs
- Unique Materials i.e Fur, Gold, Copper
- Shape & Size

Please note that not all of these options have to be personalised. For example, it is completely possible to order a design with just exotic wood or an engraving. It is also possible to use a Bare-Bones deck with an Elite design.
